

## Boqueho < > Lanfains

6h00 24.0 km

### DIRECTIONS :

**00.0** – Leaving the church of **Boqueho**, go past the wall surrounding the churchgrounds and take the first road on the left. Go down towards the river Leff and back up towards the D 7. Cross it and head in the direction of La Magdeleine. Pass by the stables [Les écuries de la Magdeleine]. Take a left at the first intersection, and go down towards the hamlet of...

**0h45 03.0** – ... **Kernier (chapel of Saint Jacques)**. Above the hamlet, take a right onto a trail waymarked in blue. Head up this forest path as far as an intersection with an asphalt road. Turn right, then very quickly take a left onto a farm track as far as the intersection with a forest path. Continue straight ahead and take the local walking trail [PR de pays] (waymarked green). Thereafter, leave this PR and take an asphalt road. Go left, then, about 200m further, take a dirt path to the right. Carry on straight ahead to a farm track, the hamlet of Boissard and the D 45. Cross it and take another path straight ahead in the direction of the hamlet of...

**2h05 08.2** – ... **La Ville Neuve**. Here turn right and, at the next junction, take a left in the direction of...

**2h50 11.5** – ... **Le Fœil**. Go through the town, pass by the front of the church and take, straight ahead, the D 40A to the outskirts of Quintin about 2.3 km away ; head into town passing through a first junction (with Rue du Chemin des Sentes) to get to the stop-sign on the D 40 / rue de la Croix Jarrots. Go right along this road. After a little more than 350m head right into Rue Saint-Yves (65km waymark at the base of the chapel of St Yves) the Rue des Forges and Rue des Douves, keeping to the right to arrive at the town hall [Hôtel de Ville] on Place du Martray. Cross the square to the left to take, on the left, Grande Rue in the direction of...

**3h45 15.0** – ... the **Basilica of Quintin**. Go around the basilica by the left and take a set of steps at the bottom. Below the building, take the first small road on the right. Go up as far as the pond. Take opposite you the road around the cycle track [Vélodrome], in the direction of the campsite. Head up towards La Roche Longue (menhir), the farm of Côtes-d'en-bas and the water tower as far as the D 790. Cross it and at the beginning of a ramp take a little path to the left which goes up to a Cross ; take a path on the right which is at right-angles to the D 790 for a little more than 100m; at the intersection, take a right. Pass in front of the chapel of Saint-Eutrope. Carry on in the direction of Milhars, as far as the D 7. Cross it and shortly take the first road to the right. Pass through the hamlet of Tertro and take a right in the direction of the town of..

**4h45 19.0** – ... **Carestiembles**. Cross the village square and take Rue du Pain-Mirau on your left. Walk for about 1km and take a left onto a road heading in the direction of the area of Quélen and Bas de la Lande. In this hamlet, go right and up the slope for about 300m. Then turn left and go alongside a field before the wind turbines. At the far end of the field, take a farm track on the right. Above a wind turbine, continue by the left. Walk as far as the radio-mast and carry on as far as an asphalt road. Go right and carry on to the next intersection **Croix du**

**Jubilé.** Go right and continue as far as the town of...
