

Questembert – Saint-Jacut-les-Pins

STAGE PROFILE 29km 7H15

DIRECTIONS

0.0 Questembert Leave from the market hall towards the east, pass in front of the Crédit Agricole bank, to the right of the town hall - hôtel de ville – and go through the gate which gives access to a path which goes alongside the sports grounds for 500m. Cross **rue Anne de Bretagne**, follow the path through the housing development, take a left onto the dead-end impasse de la **Butte du Calvaire** as far as the **rue de Serguin**, turn right as far as **avenue des bruyères** and go down to the right to the D1c, which you follow to the left for about 1.3km.

Take the ramp to the left in the direction of **Kerpage** which passes under a roadbridge, and at the next crossing take a little road facing you for 700m. Take a little road to the left towards **Keroger** for 2km. At **Bréhardec**, (chapel of Notre Dame de l'O 100m to the right) continue straight ahead then follow the path which goes round a field to find a passerelle overbridge over the river, and continuing via **Kerbon**, cross the ...

2h20 9.4 - D136. Here go right, then 100m further, at the Cross, take a little road to the left. At the next two crossings, take a left, then take a right in the hamlet of **Kerjabin** and arrive at the **Temple de Haut** (take a moment in the chapel of Saint-Julien – beautiful 15thC polychrome alterpiece, and the presence of St James the Greater). Go back up 300m to find a 'hollow' embanked path on the left which goes along the bottom of the valley then goes up right to the farm of **Bunelay de Haut**. Take the little road to the left which arrives 300m further at the D774. Go left on this road for 50m and take a track on the right towards the fountain then the ...

3h00 12.0 - chapel of Sainte-Claire. You follow this path for 1km. When you get to a little road, turn right. At **Kerfleu** take a left. At **Four-Gauthier** you can take a detour of 300m to the left to go and see the Cross of **Crévéac**, one of the oldest in Morbihan, before continuing for 1km, going straight through **Lieuvy**. At the following crossroads, continue opposite for 1.5km, passing over the expressway. Before the railway, take a right onto a path which goes alongside it on your left for 1.5km, then at a crossroads, take the second little road on the right. At the following crossroads, take the D153 to the left which enters the built up area, and at the nearby passage, take a left towards the centre of...

5h00 20.0 - Malansac. At the church go east in the direction of **St Jacut les Pins** via **rue de la Croix d'Alain**. When you arrive at Place des Fours à Pots, turn left just before the cemetery in the direction of "**Clos du Rohéran**". At Rohéran turn left then right towards "Guitual". Take the path opposite you which leads to "**Ville aux fèves**" and go through this village by the left as far as the wash-house and fountain. Next turn right onto the road which arrives at the boundary wall of the grounds of **Bodélio**. Go alongside this wall immediately to the right for about 3km to arrive at an entrance called "**porte Rouaud**". Fork right to cross the D153 opposite and then the bridge over the railway.

6h10 24.8 - Pont de la ville Allo. Take the road to the left to pass through the villages of "Ville Mahé", "Coquéran", "Creux Chemin"(chambre d'hôtes/guesthouse) and "Hollian", to arrive at a

pond (valley pond - étang de la vallée). When you get there, take the path which goes up to the left, parallel to the road, as far as a junction. Go across opposite to head onto the path which goes alongside the stream and the pond of **Moulin Eon**. Arrive at the road. The pilgrim gîte (lodging) is to the right facing the pond. Go left as far as the church of ...
